Grade Dates:

7 B	Friday, June 5th, 2026
7 A	

B. Learning Indicator

The student writes a short text describing where a particular building is located and why it is important

Evaluation Criteria

The student:

1. Uses correctly there is and there are with furniture and home and home appliances.
2. Ask and respond to questions with there is and there are in singular, plural in a roll play.
3. Act with responsibility and commitment in the task to develop.

C. Learning strategies

Opening Activities

Warm up:

1. The students play a game called Simon says.
 - 1.1 Every time the teacher says “Simon says down” the students must bend themselves.
 - 1.2 Every time that the teacher says “Simon says up” the students must stand up”
 - 1.3 And so on for the right and left sides.
2. If any student doesn't perform the activity correctly, this one must answer the following question:

Can you mention one of the furniture studied during last lesson?

Review/ Prior Knowledge: The students try to put in order the following sentences:

Is / there / in the / living room? / a / television

in the / chairs / Are / there / kitchen?

Presentation of New content:

1. The teacher explains the use of “is there” and “are there”.

Singular	Plural
Is there...?	Are there...?
Yes, there is.	Yes, there are.
No, there isn't.	No, there aren't.

2. The students practice pronunciation of the vocabulary through flashcards:

Bedroom	Living Room	Kitchen
Bed	Television	Refrigerator / Fridge
Lamp	Sofa	Microwave
Wardrobe	Table	Dining room
Toilet	Chairs	Cupboard
Shower	Bookshelf / bookcase	Table
Mirror	Rug	Chairs

Middle Activities: Controlled/ Free practice**Listening: Activity (10 Minutes)**

1. Listen carefully.
2. The teacher reads the conversation twice.
3. Th students circle the correct answer.

Short conversation

Maria: Welcome to my dream house.

Luis: Is there a television in the living room?

Maria: Yes, there is.

Luis: Is there a fridge in the bedroom?

Maria: No, there isn't.

Luis: Are there chairs in the dining room?

Maria: Yes, there are.

Luis: Are there computers in the kitchen?

Maria: No, there aren't

Exercise:

1. **Is there a television in the living room?**
 - a) Yes
 - b) No
2. **Is there a fridge in the bedroom?**
 - a) Yes
 - b) No
3. **Are there chairs in the dining room?**
 - a) Yes
 - b) No
4. **Are there computers in the kitchen?**
 - a) Yes
 - b) No

Reading and Writing: Students work in small groups:

They read the short conversation used in the listening activity. Then, they must write a short conversation using the same format focusing on the correct use of “Is there” and “Are There”, also they must use the most common furniture vocabulary throughout the paragraph.

Speaking:

The students read aloud their short conversation together and the teacher monitors pronunciation, grammar, and participation.

Closing Activities
