B. Achievement Indicator:

The student brainstorms community, vocabulary and describes his/ her community in simple sentences.

Evaluation Criteria:

1. Brainstorms a wide variety of community vocabulary accurately and uses it appropriately in simple sentences.
2. Describes his or her community clearly using relevant vocabulary, correct simple sentence structure, and understandable ideas.
3. Participates actively in brainstorming activities and communicates detailed descriptions of the community with confidence and creativity.

Initial Activities

Review/ Prior Knowledge:

Teacher Instructions

1. Divide the class into two teams.
2. Ask each team to form a vertical line.
3. Place the vocabulary flashcards face up on the floor at the front of the classroom.
4. Explain that students will take turns.
5. The first student from each team walks to the flashcards and selects one card from the floor.
6. The student says the word aloud and pronounces it clearly.
7. If the pronunciation is correct, the team earns one point.
8. If the pronunciation is incorrect, the card is returned to the floor and no point is awarded.
9. The student goes to the back of the line, and the next student takes a turn.
10. Continue until all the flashcards have been used or all students have participated.
11. Count the points and announce the winning team.

Transition to the New Content

After the activity, the teacher points to several flashcards and asks:

- Is this a rural place or an urban place?
- Is there a _____ in your community?
- Are there any _____ in your community?

This creates a natural bridge to the vocabulary classification and the grammar structure **There is / There are**.

Presentation of New content:

1. The teacher shows images 1 and 2 (they are in the support material section).
2. The students practice the correct pronunciation of the vocabulary shown in image 1 and 2
3. The students complete exercise 1
