

MINED– Lesson Plan Format

A. Lesson Plan Information

Subject: ENGLISH

School: La Corona

Unit: Local And Wider Community

Topic: ☐ Lesson 3: Asking about transportation.
☐ Grammar: Linking/contrasting: first, then, next, after that, and, but, so.

Time: 90 minutes

Grade		Dates:
7		Tuesday, July 1st, 2025

B. Learning Indicator

The student writes a short text describing where a particular building is located and why it is important

Assessment Criteria

The student:

- 1 Lists vocabulary related to means of transportation and useful verbs and phrases about it
- 2 Creates a blog describing details of means of transportation and share it in oral and written way.
- 3 Demonstrates solidarity in his/her collaborative work in order to achieve meaningful learning.

C. Learning strategies

Opening Activities

Warm up:

- The teacher draws some means of transportation on the whiteboard and asks the students what they think about the drawings
- Two volunteer students build a brainstorming on the whiteboard with the ideas about means of transportation mentioned by their classmates

Review/ Prior Knowledge: In oral way the students try to answer the following questions:

1. What do you know about the means of transportation?
2. Where can we see means of transportation?
3. Mentions some means of transportation

Presentation of New content: The teacher explains the following points:

What are means of transportation?

Means of transportation refer to the various methods and vehicles used to people and goods from one place to another.

Vocabulary about means of transportation:

Car, bus, motorcycle, truck, bicycle, train, taxi, skateboard, boat, ship, canoe, airplane, helicopter,

Middle Activities: Controlled/ Free practice

Listening: The students listen to the explanation about means of transportation and information related to that topic given by the teacher.

Writing:

Activity 1: The students write the information that it is on the whiteboard and that it was explained by the teacher.

Activity 2: Students write the following story:

I am Amy, I am a professor, I usually travel from my house to my work on private transportation, but last weekend was so stressful because my car broke down and I had to use public transportation and other means of transportation, first on Monday I traveled on a bus, then on Tuesday I traveled on a taxi, after on Wednesday I had to travel on a motorcycle, and finally on Thursday and Friday I traveled on a truck.

Reading: The students read in their notebooks the story written in the activity 2.

Speaking: The students in front of the other classmates read out loud the story below and the teacher will provide feedback to improve their pronunciation:

I am Amy, I am a professor, I usually travel from my house to my work on private transportation, but last weekend was so stressful because my car broke down and I had to use public transportation and other means of transportation, first on Monday I traveled on a bus, then on Tuesday I traveled on a taxi, after on Wednesday I had to travel on a motorcycle, and finally on Thursday and Friday I traveled on a truck.

Closing Activities

Wrap up: The students present the activity 1 to the teacher.

Evaluation:

The students answer the following questions:

1. What do you learn today?
2. Why is it important to know about means of transportation?
3. Do you think the current topic is useful? Why? Why not?

D. Homework:

Create flashcards about the vocabulary of means of transportation to study them during the week. The procedure is the following: Cut a small square piece of paper. On the front of your flashcard, write one word of the vocabulary with its correct pronunciation. Then, on the back, write its definition.

E. My reflections on the lesson / Observations
