The students play “The bottle game”

1. All students make a circle.
2. The teacher places a battle in the center of the students’ circle.
- 3.The teacher must do that the bottle spins, and then one of the extremes of the bottle will indicate who of the students will have to mention one word of the vocabulary given in the previous class.

Review/ Prior Knowledge: In oral way; the students listen and try to answer the following interrogative sentence:

Through your own words, tell me: What do you think about public safety?

Presentation of New content: The teacher explains the following diagram to help the students remember the last topic:

Middle Activities: Controlled/ Free practice

Listening: The students listen to the explanation provided by the teacher.

Speaking: The students read out loud the homework assigned in the previous class. The homework was: “Write a short story in which apply the vocabulary related to public safety. The text must have at least six sentences. You must read your story in front of your classmates at the next class”

Writing: The students do the following activity:

Activity 2: Write the following paragraph:

A Paragraph Using The 5 Vocabulary Words

Public safety in America is a complex web of federal, state, and local agencies working together. Each jurisdiction has its own law enforcement protocol, from how to handle traffic stops to responding to violent crimes. Compliance with these protocols is crucial for both officers and the public. Understanding them can help immigrants avoid misunderstandings and ensure their safety during interactions. Additionally, public safety involves preventative measures. By taking precautions like securing your home and being aware of the surroundings, citizens can help reduce the opportunity for crime and protect themselves from potential perpetrators.

Reading:

The students read the paragraph given in activity 2:

Closing Activities

Wrap up: The students present the activity 2 on their notebooks.

Evaluation:

The students answer the following question:

1. Why do you think it is important to learn about public safety?

D. Homework:

Use the space repetition method to study the diagram given by the teacher.

E. My reflections on the lesson / Observations
